Applications in Electrical, Electronics, Computer ,  
Civil and Mechanical Engineering**

**April 30<sup>th</sup>, 2020  
Coimbatore**

Welcome to the official website of **15<sup>th</sup> International Conference on Applications in Electrical, Electronics, Computer , Civil and Mechanical Engineering(15<sup>th</sup> - ICAEECCME )** organized by Applications of Engineering Technology and Science (AETS Forum).

The conference will be held in **Coimbatore,India on April 30<sup>th</sup>, 2020**. The aim objective of ICAEECCME-2020 is to present the latest research and results of scientists (preferred students, PhD Students, and post-doc scientist) related to Electrical, Electronics, Computer Science, Civil and Mechanical Engineering topics. This conference provides opportunities for the different areas delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. We hope that the conference results constituted significant contribution to the knowledge in these up to date scientific field.

ICAECCME-2020 is supposed to be the largest technical event on Electrical, Electronics, Computer Science, Civil & Mechanical Engineering topics in India in 2020. The focus of the conference is to establish an effective platform for institutions and industries to share ideas and to present the works of scientists, engineers, educators and students from all over the world. The organizing committee of conference is pleased to invite prospective authors to submit their original manuscripts to ICAEECCME-2020.

The topics of ICAEECCME-2020 covers all Electrical, Electronics, Computer Science, Civil and Mechanical Engineering related topics.
